How to register for a training:

Step 1:
Go to shswny.org. Click “Training Portal” on the top tool bar in the upper right hand corner.

Step 2:
After scrolling towards the bottom, you will see a section labeled “Training Courses”. Please browse the trainings and click on the training title you would like to register for. All trainings are facilitated through Zoom at this time.

Step 3:
On the training page, you will see the training description outlined. To register, please complete the prompts to enroll and purchase a seat for the training.

Step 4:
Once registration is complete, you will receive an email with your confirmation number. Within 24 hours of the start date, you will receive an email from the facilitator of the training with the Zoom link and any training materials needed.
